When
Wednesday,

to participate in the legislative process.

How does it work?

At the Austin Convention Center, you will be briefed on the lodging and tourism industry's key legislative priorities at issue in the 2015 legislative session. You will also be given a packet of information noting these priorities to leave with the state legislators and their staff during your scheduled visits.

After lunch, you will board shuttle buses for the quick drive to the Texas Capitol building, where meetings have been set with your Texas senator's office, and also with your Texas state representative's office. You will present key hotel and tourism statistics with your elected officials, and also provide them with summaries of the major issues affecting our industry.

After the meetings at the Capitol wrap up, the buses will bring you back to Austin Convention Center.

Why attend?

Your visits with your legislative leaders and their staff lets them see the faces and hear the priorities of the tourism and lodging industry operators firsthand - a critical component in our ability to be successful at the Capitol.

Converge on the Capitol is proudly hosted by the Texas Hotel & Lodging Association, Texas Travel Industry Association, Asian American Hotel Owners Association, and Texas Association of Convention & Visitors Bureaus
